Race SL50 (34 grams) Color Swatches

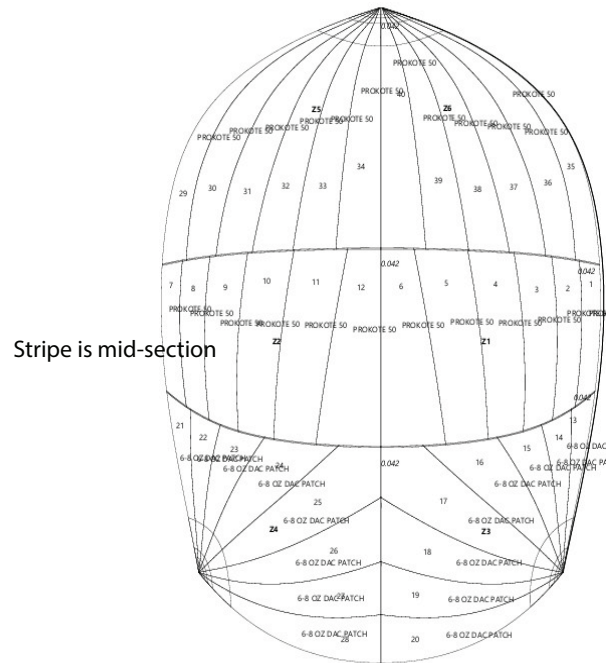

Please use the below twodiagrams of both style spinnakers to mark your color selections. he entire spinnaker must be all Superlite 50 or all AIRX 600. SL50 is the usual fabric, but its now limited to red, white, and blue, so we can use AIRX 600 for more color options. You are not limited to a stripe as radial layout allows for some "star" type patterns.
